

Pleasant Valley School Science Fair

Supported by the P.T.A.

Investigate Science Together
In this Engaging Non-competitive Extracurricular Event!
The Fair is open to all PVS students.

Plan an experiment, demonstration, collection and/or model of your own,
research your topic, make a hypothesis, experiment, record results,
reflect about your project, arrive at some conclusions, make a display,
and be proud to be a scientist!

IMPORTANT DATES:

- ✓ **Science Fair Registration** ends on **March 23rd**. All science fair proposal forms must be received by this date. **THERE WILL BE NO LATE ENTRIES.**
- ✓ **Science Project Approvals** sent to students via back-pack mail on **March 28th**. This is more of a formality assigning presentation times for students for the 5th of April. As long as the project meets the standards below, it will be approved.
- ✓ There may be no open flames, hot plates or combustibles of any kind. Student scientist may not provide food, drink or beauty product (e.g. lip balm, perfume, etc.) samples. **All proposals that meet these requirements are approved.** The forms merely include the time of the scientist(s) presentations during the school day (see second bullet above).
- ✓ **Science Fair Set-Up** will occur from 2:30 – 5:45 PM on **April 4th**.
- ✓ **Pleasant Valley School Science Fair** opens to the school community on **April 4th** from 6:00 – 8:00 PM in the PVS Gymnasium.
- ✓ **Pleasant Valley School Science Fair** open for classroom visits throughout the school day on **April 5th**.
- ✓ **Science Fair Break-Down** will occur from 1:45 – 4:30 PM on **April 5th**.

Sciencebuddies.org is a great site for ideas!

Volunteers Needed for the 7th Annual Pleasant Valley School Science Fair

**Calling all scientists, engineers, physicians, teachers,
parents with a science background,
and/or interested non-scientists.**
