

## **CLEARVIEW SUMMER SPORT CAMPS**

HALF DAY  
DEVELOPMENTAL SESSIONS  
OFFERED IN

Clearview Regional High School District is sponsoring summer camps for athletics that are played at the high school level. These camps are developmental in nature to introduce new athletic experiences to our community's youth and to challenge those that are seeking to strengthen their skills. Most camps are four days, Monday through Thursday, rain or shine. Indoor facilities will be made available during inclement weather. Each camp is run by a Clearview High School coaching staff member and assisted by some of the high school's finest athletes.

### **CAMP FEATURES INCLUDE:**
