

## **HARRISON TOWNSHIP LITTLE LEAGUE** **2024 SPRING REGISTRATION**

**WHEN:** 2024 Spring Registration is now open. The last day to register without a late fee is February 9, 2024. Registrations submitted after that date will incur a \$25.00 late fee. Registration will close for good on February 19, 2024.

**WHERE:** Please visit <https://harrisontwpll.com/mycheddarup.com> to complete your registration. We are excited for you to utilize our new registration and payment platform, CheddarUp. We encourage all registrants to submit payment online via eCheck as the easiest way to register and pay. However, please do not hesitate to reach out to the Executive Board with any requests for alternate payment methods.

**HTLL WORK BOND:** There will be a work bond required this year of \$30.00 *per family*. The HTLL work bond was implemented in 2017 to assist with the maintenance of the complex and to encourage volunteers throughout the little league season. The work bond can be repaid in the following ways:

- Volunteering on field day on March 16, 2024 and Opening Day on April 6, 2024.
- Volunteering to manage a team. HTLL requires all prospective managers to submit a volunteer form and all managers and coaches must be approved by the HTLL Executive Board.
- Volunteering to work the concession stand. The concession stand is a vital part of the HTLL experience. However, it cannot operate without volunteers. Please consider volunteering to work the concession stand at least once during the Spring Season.

Please note, the work bond is per family. Please register all children at the same time to avoid being assessed multiple bonds.

**EVALUATIONS:** Evaluations will take place on Sunday February 11, 2024 from 2:00 to 4:00 p.m. at Legends Ball Park.

- Please note, the only players required to attend evaluations are first year Minors players **and** any player requesting to “play up” a division.
- If you intend to have your child “play up” a division, please email the player agent, Matt Burdalski, at [mjburdalski@gmail.com](mailto:mjburdalski@gmail.com) with your request.

### **LITTLE LEAGUE BAT RULES:**

Little League allows only bats stamped “USA Baseball” (see above). Please visit <https://www.littleleague.org/playing-rules/bat-information/> for additional details regarding bat requirements.

- Bats without the “USA Baseball” stamp will not be permitted for use in HTLL

**TEE BALL / MODIFIED COACH PITCH:** The HTLL Executive Board is excited to announce changes to HTLL’s approach to the younger divisions. Starting this Spring Season, a greater emphasis will be placed on fundamentals, practice, and player development at these levels. Game and practice time, particularly at the beginning of the season, will be geared toward smaller groups and baseball development while still allowing the players to have real game experience.
