New Jersey school districts, charter schools, and renaissance schools are required by statute (N.J.S.A. 18A:7C-6.6) to annually notify families of any statewide assessment or commercially developed standardized assessment that will be administered over the course of the school year. Below you will find the assessment calendar for Harrison Township School District for the 2022-2023 school year. This includes both state mandated tests as well as assessments used locally by the Harrison Township School District.
